Jewellery/Hair/Make-up

One wrist watch, one finger ring and stud earrings may be worn with the uniforms. Approved pins, such as the grade eight graduating pin, may be worn on sweaters or blazers. Headbands or scrunchies in the Stewart Tartan may be worn in hair. Also, plain red, green or black headbands are acceptable. Clear nail polish is acceptable but make-up is not allowed. Hair must be neat, clean and well groomed. Hair colouring is not permitted. Long hair must be pulled back from the face during learning activities where safety would be a concern.

Labelled Clothing

In schools with uniforms, it is essential to label every piece of clothing and footwear. Use the family SURNAME which makes it easy for everyone to identify. Matthews Hall labels for clothes, shoes and other items are available from Mabel's Labels (www.mabelslabels.com or 1-866-306-2235) Please select Matthews Hall from the "Support A Fundraiser" button. By taking time to label all belongings before school begins, you will save time, money and frustration later.
