

# Kiwaniis Music Festival Updates

## from Mrs. Campbell

Congratulations to the members of Mrs. Campbell's studio who participated in the Kiwanis Virtual Music Festival this year. Here are the results:

### Saxophone Solos – Level 2

Flute Solo – Level 4

Trumpet Solo – Level 6

## School or Community Bands – Elementary School Age

### Non-Competitive – Virtual Bands

Band classes were non-competitive this year due to entries being virtual. All ensembles who participated were given a Performance Award and adjudicator comments. Mr. Scott Clark, a local retired music teacher, had some excellent comments, feedback and next steps for our band.

“Congratulations on your achievements during this difficult year. The group demonstrated musicianship, technique, and good basic tone quality. The next steps include expanding their dynamic range and incorporating even more attention to precision. I look forward to hearing more from your groups in the future, perhaps even live.”

Additional notes included:

- Our repertoire selection was excellent for showing off our well-disciplined ensemble
- Nice tone from individual/solo players – shows good training
- Well-played, featured trombone line in “Terracotta”
- Well done on the tempo changes in “Terracotta”
- Strong opposition parts in flute & clarinet in “The Tempest” – very solid and rhythmic
